A Comparison Of Some Investment Products				
Product	Liquidity	Risk	Returns	Entry/Storage Costs
Bank Fixed Deposit	High (Premature withdrawal allowed)	Low	Moderate (fixed interest rate)	No entry cost, no storage costs
Post Office Deposit	Moderate (Limited premature withdrawal)	Very Low	Low to moderate (fixed rate)	No entry cost, no storage costs
Gold	Moderate (depends on form, digital is higher)	Moderate (market fluctuations)	Moderate (market-linked)	High (for physical storage), low for digital
Real Estate	Low (illiquid, takes time to sell)	High (market and property-specific risks)	Potentially high (location and market dependent)	High entry cost, maintenance/storage costs
Equities	High (can be sold quickly in markets)	High (market volatility)	Potentially high (market-linked)	Low to moderate (brokerage fees)

The Centre for Budget Studies in association with SEBI and CUSAT, organized an online training programme on “Advanced Financial Literacy” on May 20, 2026. Led by Ms. Himani Lath, SEBI SMART Trainer, the session covered key aspects of personal finance, investment planning, and financial awareness, promoting informed financial decision-making among students..

Conducted Internship 2026 with students from various colleges. The programme offered training in Applied Econometrics, Research Methodology, Data Analysis using R/Python, and mini projects, enhancing participants’ research, analytical, and practical skills. The internship concludes on May 29, 2026.
