The CBS internship bridges academic knowledge and industry practice through hands-on training in econometrics, data analytics, programming, and research, enhancing students' practical and analytical capabilities.

CBS proudly celebrates the successful Ph.D. thesis defenses of scholars Fairuos M. E. (Department of Applied Economics) and Shihabudheen M. T. (School of Management Studies), under the expert guidance of Dr. Santhosh Kumar P. K. Their research on organic farming intentions in Kerala and commodity futures–equity market interlinkages reflects academic excellence and meaningful scholarly contribution.
